1. I have given you the land. See Me. See what I have said.
2. I have given you the land.
3. Yea, watch Me.
4. I have GIVEN you the land! Thank you.
5. Thank you for receiving Me, being Me, being Me upon the land with the land that is Mine, the land that I now give you, the land you now come in to, the land which is yours, the land which I foreordained; yea before the foundation of the earth that I planned, that I planed; yea, thank you. I love you.
6. Thank you for allowing Me to be Me in My land, on My land, and through My process of engineering, engineering that I now give you; industrial applications aplenty, aplenty and without number; yea, all coming forth in delivery systems of only Me. My trained disciples; yea, My disciplined, drink offering'd, submitted, surrendered who come forth now; yea, yea, yea, in such glory. Yeh! I love you; I give you Me.
7. I give you My processes, I give you My process engineering. I engineer processes and I process engineers who process My words, who take Me and break Me and pass Me around to their people, their family, My family all; without number, without limit, without label, every label. I love you and I give you Me; I give you all of Me.
8. Now come forth and in the engineering applications of only Me; the processes, the processing; the process engineering; the industrial applications and engineering of every facet known to man.
9. Yea, behold; see what I have said and so much more. Yea, known only to Me, known only in My heart; known only in My mind. Thank you for capturing "let this mind be in you which was in Christ Jesus" (1). Yes, you have My mind when you come into Me and receive Me, but not in the fullness, not in the wholeness, not in the processes and the release. Yea, and in the imagination of only Me; yea, that which I think and comes to pass instantaneously; the power of My thought; the power of My mind.
10. See Me, see what I have said, see what I am giving, see what I do for you, see what I have done for you, see what you are involved in; yea, and will never be without. I love you. Dependent wholly on Me, thank you, and not man; not man, not processes; yea, not tithes and offerings but only Me; but only Me giving in gifts of only Me.
11. Watch Me come forth in **Commerce Central** in ways not understood in fashion and form of My Kingdom, My kingdom processes, My kingdom applications through receivers of only Me. Drink offering be, being. Thank you. Amen.
12. I have given you the land; yea and Amen.

13. The Proclamation this day of you receiving the land, of Me giving you the land, of the land coming into view; you on My land, you own My land, given to you by My peace. Yea, piecemeal not; but yea, in one piece covering many quarters. I love you and I give you Me. Sufficient thereof; yea, greatly sufficient. Efficient and effective of only Me, effective Me, affect of only Me, result of Me and only Me; your obedience, My heart. Your wealth now of receivership of only Me, receiving Me in fullness and yea, ever more so. Watch Me.

14. Growing, growing, growing into the fullness of Me you are. Yea, teaching My drink offering'd disciples; yea, My submitted, surrendered, who in the power of their might not; but the power of My might. Yea, in the power of My spirit; yea, power of My word; yea, the power of Me coming forth in My Mighty Many. Yea, Watch Me. Minnie. I love you and I give you Me. I give you all of Me. Without number I give you Me.

15. I give you land now, parcels without number. Yea, numero uno; yea, even now in your hand. See what I have said. Yea, tomorrow, the crack of dawn not, today, now, Me; yea, **you on My land, shaking hands, receiving Me, the fullness of Me coming forth in like manner the world has never known and has not understood**; but yea, will understand and see, see, see; they will see Me, they will see the Me's that are Me'd through the processes, and the engineering applications, yea, that come forth in every vocation.

16. Yea, watch Me, processes of My heart, processes of My electrons; yea, My molecular level, My process level, My foundational formulas. Yea, watch Me. Watch Me atom-icize and know how to know/be, be/do; yea, become. Thank you. I give you Me. Without number, without limit, without lack, all by Me, by My decree, by My decree and declaration, proclamation; My day, this day of My land that you have the land that I and you will build **The University of The New Covenant on**. Yea, the beginning, the first one, the first of many, many many, many squared (2) and cubed (3). Watch Me. Into Me- see how I act, how I receive Me and how I process My gift givers which come forth in the beauty of electricity not, electrons of only Me. Watch Me.

17. Electric, yea, glowing I am in the joy of sorrow not, but sorrow abdicated, sorrow eradicated; yea, so many coming who sorrow have known so intimately; but yea, now arise in the fullness of Me and My Priesthood, My process, My processes, receiving, walking in, adopting; yea, learning, submitting to; yea, submitting to My greatness; receivership of only Me.

18. The proclamation this day of My land and My on you and you on Me; yea, and us together, in fact, more fully. Yea, us, one; not 'as one', not 'one is two', or 'two is one;' but 'one,' 'one,' '**we one' will be shaking hands, yea, receiving My gift given unto Me;** yea, that where I am I will be in such beauty, holiness, greatness, greatness, greatness of surrender, greatness of peace-hood now, the peace of My kingdom surpassing all; the cataclysmic lack of accord which claims and duresses so many. I love you; I give you Me.

19. I give you Hollywood, see; I give you more.

20. I give you knowledge, wisdom and understanding, revealed planes and intersections infinite-D (4), My structure, My processes; yea, My molecules all on the substructure level which levels not but takes you into the foundational formulas of only Me and of that which only I can give: the supersets, yea, the microsets and the subsets of the supermicrosets--Watch Me. I love you. I give you Me. --Scholastic achievement, scholastic mastery; yea, nothing second hand or shabby about Me and My students who leaders are, who leaders lead in the leading of My Mighty Many; yea, at the crack of dawn coming forth.

21. Yea, architects and disciples of only Me architecting My processes; yea, revealing Me unto those who will receive Me with grace, in grace, in grace, perceiving grace, receiving grace; yea, being grace; grace, grace to each other, being the blood, the bread, the wine, the process; yea, **My body as I designed, original intent revealed that you have so quested into Me and asked Me for so long**; yea, to please Me, to please Me as a man known only to Me in My heart as I dreamed, as I imagined, as I planned, as I processed; yea, and organized My thoughts, My actions, My words when I brought all into being.

22. Yea, before, before, before I knew your name and called for this moment of which where you stand on My land, receiving Me, **receiving the promise**, receiving the acreages, the acres of acreages that I now give unto your hand; given to Me, by Me, for Me, to Me, through Me to you, through you.

23. Yea, for the processes which now engineer all for the latter days are here, the latter of the latter, the end of the end. Watch Me.

24. See Me, see unto Me, see in to Me, into Me only and all I have said this night.

25. On your wall place; yea, placard, banner; yea, ashamed not, proclaim forth, proclaim the banner of My love and the love for My people; yea, which comes forth, yea, in associations, alliances many; yea, who associate, who **want to,** who try, who plead, now who come and call; and yea, do not conquer, but lay; unless My word allows alliance, arrangement; yea, affiliations many; for no one will conquer; no one will withstand My love and no one will withstand what I do now with My who drink offering'd disciples are; yea and only drink offering'd disciples. For drink offering I am, drink offering I instituted, drink offering I institute and **drink offering pre-requisite** to come in to the processes and the engineering applications receiving Me.

26. Yea, micro of micro; macro of macro; yea, macro of micro and micro of macro and understanding all through and through, complete, replete, vertical integration of only Me. Wow! Cataclysmic, watch Me. I love you.

27. **My proclamation this day: the Mighty Many coming forth in the training centers, the birthing centers, the incubation periods where My words are spoken; yea, which create, create, create through the word of My mouth, their mouth, your mouth, one mouth--**I love you--One blood, one family, one body, **one Father, one Son, all sons and daughters;** yea, I love you. See what I have answered and give you; deeply into Me. I love you.

28. Nothing withheld, nothing evermore, nothing withheld; I give you all, I give you Me. Into Me see, replete be, holding My hand alone; not politics, yea, processes of only Me. I love you. Political spheres I give you, I limit you not; but only in Me, of Me, of My choosing, of My doing, walking you/Me, where we/I choose to walk/say/be/do.
29. Thank you for being Me and receiving Me in the fullness of My kingdom.
30. Yea, **My kingdom here on earth now coming, coming, coming and now is; yea, arising My body, My body of labels all; all, all, all without label; the nameless, faceless generation prophesied by so many for some years now being Me**, unafraid of Me, unafraid of fear, evil of political prowess, unafraid of institutions or organized religions, unafraid; mature and now coming into the fullness of Me; unconcerned with the accolades of honor, or the criticisms of man; fear of death, none, none, absolutely none.
31. Yea, concerned only with Me, My heart, My words and My process applications and the applications of My processes; yea, the application of My heart. Yea, now to all I am concerned about, I am concerned about all. I love you and I give you Me.
32. Through every stratosphere; yea, of man and beast not; yea, of Me, of Me. See what I have said. I have given you all of Me. Thank you for building, building, building; yea, in only Me and not tainting My processes, My love, My heart, My blood coming forth transfusing, transforming, reforming; yea, making all things new. Watch Me.
33. **Read Isaiah**, read My prophets of old. I love you; I give you Me.
34. Ted, I thank you, I love you, I give you Me. Master-disciple maker you are; thank you. Thank you for proclaiming My words this day as I Am, and that I Am has spoken these words: The proclamation of I Am, I Am, I Am you are. I love you. Good day.
35. See all that I have said and receive Me more and more.
36. Thank you for arising and receiving all that I have to give. I love you.
37. Good night; good day, very good, very, very good day. Amen.
38. Subformations of stratospheric levels now come into your hand; meanings of only Me.
39. Plates and platelets and shiftings which shift, which cataclysmia-ize, cataclysmic-ize, and reclamate and reclaim and reshift again. Watch Me.
40. I give you all of Me. See what I have given; see what I have said; see what comes forth in miniscule matters not, miniscule matters many; yea, miniscularity all; all together lovely; My processes revealing Me. I love you. Good night.
41. Glow, glow, glow in all that I am, all that I have, all that you are, all that I have given gleefully; yea, glowing in only Me; My phosphorous not; yea, My body operating as I intended. Thank you for My quest. Amen.
